

ABOUT THE CONFERENCE

The advent of ever-augmenting and ubiquitous computational and control resources enhanced the opportunities for developing various intelligent computational and control techniques to solve number of real time issues like uncertainties, vagueness and imprecision techniques. This International Conference on Intelligent Computing and Control Systems (ICICCS 2020) organized on 13-15, May 2020 by Vaigai College Engineering (VCE), Madurai, India rapidly covers the research topics with myriad of applications for developing innovative next-generation technologies. ICICCS 2020 provides an interdisciplinary platform to present and discuss the most recent innovations, trends, and concerns along with practical challenges encountered and solutions adopted in almost all the fields of Intelligent Computing and Control Systems.

ABOUT THE COLLEGE

A team of people who are willing to work for the social development and who have the passion for the academics have established Vaigai College Engineering (VCE) in 2012. The objective of VCE is to provide a better platform for learning technical education aspiring to bridge the gap between the quality of the technical graduates and the expectation of the industry and hence the world. The objective of "Vaigai College of Engineering" is to provide a better platform for learning technical education aspiring to bridge the gap between the quality of the technical graduates and the expectations of the industries. The college is committed to providing quality technical education within an academic programme that is comprehensive and integrated. VCE's academic policy maintains a focus on the intellectual aspects contributing to developing academic abilities and skills of its students.

ORGANIZING COMMITTEE

CHIEF PATRON

Thiru. S. Kamalakannan,
Chairman,
Vaigai College of Engineering,
Madurai, India.

PATRONS

Thiru. S. Balasubramanian,
Vice Chairman,
Vaigai College of Engineering,
Madurai, India.

Thiru. S. Singaravelan,
Vice Chairman,
Vaigai College of Engineering,
Madurai, India.

Dr. R. Thiruchenthuran,
Correspondent, Vaigai College of Engineering,
Madurai, India.

Er. M. Kumaran,
Secretary,
Vaigai College of Engineering,
Madurai, India.

CONFERENCE CHAIR

Dr. R. Saravanan
Principal,
Vaigai College of Engineering,
Madurai, India.

ORGANIZING SECRETARY

Prof. R.Rajesh kumar,
Department of EEE,
Vaigai College of Engineering,
Madurai, India.

CONVENERS

Prof. N.Chellapandi,
Department of CSE,
Vaigai College of Engineering,
Madurai, India.

Prof. G.Jeyalakshmi,
Department of ECE,
Vaigai College of Engineering,
Madurai, India.

TECHNICAL PROGRAM CHAIRS

Dr. D. Nirmal
Chair - IEEE ED Coimbatore Chapter,
IEEE Madras Section & Associate Professor,
Karunya University,
Coimbatore, India.

Prof. J. Jeyabharahi
HOD/CSE,
Vaigai College of Engineering,
Madurai, India.

Dr. Joy Iong-Zong Chen
Dayeh University,
Taiwan.

Dr. Paula Serdeira Azevedo
Universidade do Algarve,
Faro, Portugal.

Dr. Xavier Fernando
Ryerson Communications Lab,
Canada.

Dr. Ing. Pavel Lafata
Czech Technical, University in Prague,
Czechia.

Dr. D. Sriram Kumar
NIT, Trichy, TN, India.

CALL FOR PAPERS

INTELLIGENT CONTROL TECHNIQUES

- Decision support systems
- Distributed control systems
- Expert systems for industry
- Intelligent fault detection and identification
- Knowledge-based systems applications
- Planning and scheduling
- Machine learning in control applications
- Hybrid learning systems
- Mechatronic systems
- Neural networks based control systems
- Optimization algorithms
- Software agents for intelligent control systems
- Soft computing
- Fuzzy control
- Genetic algorithms
- Evolutionary computation and control

SOFTWARE ENGINEERING

- Agile Software Development
- Architecture and Design
- Aspect-Oriented
- Cloud-Computing
- Data Mining Systems
- Dependability, Safety, and Reliability
- Machine Learning and Optimization
- Data Warehousing Systems
- Empirical Software Engineering
- Human-Computer Interaction
- Information Privacy and Security
- Process Modeling
- Query Processing and Optimization
- Programming Languages
- Requirements Engineering
- Search-Based Software Engineering
- Software Evolution and Maintenance
- Software Reuse
- Software Testing and Analysis
- Software Visualization
- Software Validation and Verification
- Recent Trends in Software Engineering

DATA COMMUNICATION AND COMPUTER NETWORKING

- Cryptography
- High Speed Networks
- Mobile Computing
- Mobile Networks & Wireless LAN
- Optical Networking
- Network Based Applications
- Network Security
- Next Generation Web
- Recent Trends in Computer Networks
- Wireless and Adhoc Network
- Wireless Multimedia systems

SUBMISSION

FORMAT

All papers must be formatted according to the IEEE template, with a maximum length of 6-8 pages including figures and references in Microsoft Word /Latex Format.

SUBMITTING

All proposed papers must be submitted in electronic form using the ICICCS 2020 submission management system or through Email [iccs.conf19@gmail.com].

REGISTRATION FEE DETAILS

Indian Authors (Non IEEE Members): INR.7000
Indian Authors (IEEE Members): INR.6000
Foreign Authors (IEEE Members): 150 USD
Foreign Authors (Non IEEE Members):200 USD

VENUE

Vaigai College Engineering
Madurai-Melur Road
Therkuthuru, Melur
Madurai - 625 122

CONTACT DETAILS

Prof. P. Sugumaran
iccs.conf19@gmail.com / 9597324073
<http://iciccs.com/2020/>

Scopus®

4th International Conference On Intelligent Computing and Control Systems (ICICCS 2020) 13-15, May 2020

Organized by
Vaigai College of Engineering
Madurai, India

Publication and Indexing

All accepted and registered papers are submitted for possible inclusion in IEEE Xplore [Scopus Indexed]

ISBN: 978-1-7281-4876-2
