

## About VCE

The objective of "Vaigai College of Engineering" is to provide a better platform for learning technical education aspiring to bridge the gap between the quality of technical graduates and expectations of industries. "Vaigai College of Engineering" strives to instil in the pursuit of academic excellence and a thirst for learning.

## About Department

Computer Science and Engineering Department provides a strong foundation and specialized knowledge necessary to analyze, design and evaluate system software, utility programs and software-hardware architectures. To educate students with an understanding of real-world computing applications and it demonstrated by their ability to address technical issues involving computing problems..

## About the Conference

International Conference on Intelligent Computing and Control Systems (ICICCS 2019) organized on 15-17 May 2019 by Vaigai College Engineering (VCE), Madurai, India rapidly covers the research topics with myriad of applications for developing innovative next-gen technologies. ICICCS 2019 provides an interdisciplinary platform for researchers,

academicians and scientists to present and discuss the most recent innovations along with the practical challenges encountered and solutions adopted in the fields of Intelligent Computing and Control Systems.

## Call For Papers

### Intelligent Computing

- ✓ Artificial Neural Networks
- ✓ Fuzzy Systems
- ✓ Genetic Algorithms
- ✓ Machine Learning and Data Systems
- ✓ Intelligent Computing System Architectures
- ✓ Intelligent System In Natural Language Processing
- ✓ Collaborative Intelligence
- ✓ Soft Computing Approach
- ✓ Network Approaches to Big Data Science
- ✓ Bio-Inspired Intelligent Computing
- ✓ Cyber Intelligent Computation Systems
- ✓ Intelligent Power Management Schemes
- ✓ Intelligence For Security
- ✓ Intelligent Systems For Environment Applications
- ✓ Intelligent Transportation
- ✓ Neuro - Morphic Computing

- ✓ Algorithms For Biomedical Engineering
- ✓ Machine Learning Applications
- ✓ Mobile Computing
- ✓ Computer Vision, Remote Sensing, Robotics
- ✓ Intelligent Agents and Cognitive Systems
- ✓ Artificial Intelligence

### Control Systems

- ✓ Information-Based Control Systems
- ✓ Distributed and Cooperative Control Systems
- ✓ Networked Control Systems (NCS)
- ✓ Informatics In Control And Communication
- ✓ PID Control
- ✓ Bayesian Networks
- ✓ Control of Chaotic Systems
- ✓ Fuzzy Logic Control
- ✓ Intelligent Control
- ✓ Iterative Learning Control (ILC)
- ✓ Nature-Inspired Optimization Methods
- ✓ Neuro-Fuzzy Control
- ✓ Optimal Seek Control
- ✓ Self-Tuning and Adaptive Control

## PATRONS

**Mrs. R. Indra, Chairman,**  
Vaigai College of Engineering, Madurai, India.

## CHIEF PATRON

**Dr. K. Maniysundar, Principal,**  
Vaigai College of Engineering, Madurai, India.

**Dr. R. Thiru Senthuran, Correspondent,**  
Vaigai College of Engineering, Madurai, India.

## CONFERENCE CHAIR

**Prof. P. Sugumaran, Vice Principal,**  
Vaigai College of Engineering, Madurai, India.

## **Publication and Indexing**

**Extended version will be recommended for publication in the following journals**

- Recent Patents on Computer Science International Journal of Open Source Software and Processes (IJOSSP)
- International Journal of Computers and Applications Paladyn, Journal of Behavioral Robotics
- International Journal of Computers and Applications (IJISAM)

## **Registration Details**

Category	IEEE Author	Non IEEE Author
<b>Indian Author</b>	INR.5500	INR. 6000
<b>Foreign Author</b>	275 USD	325 USD
<b>Indian Listener</b>	INR.3000	INR.3000
<b>Foreign Listener</b>	300 USD	300 USD
